1. **FOREWORD**

By the grace of **God** we had opportunity to visit **Holy Land Jerusalem, Egypt, Jordan** on 9 days tour from 16th October to 24th October 2013. The total strength of team is **19** including our **Keralite friends**.

On the way to **CAIRO City** we had a break at **Kuwait** Airport. Along the Lobby of Airport there is a prayer room for men on one side and prayer room for women on the opposite side. After roaming here and there for toilet somebody guided and told that “**Prayer room is meant for Toilet**”. Very good Concept!... It is understood that after the prayer one should leave away the **earthly waste**.

When we are in **Cairo City** (Egypt) we had opportunity to visit **great pyramids** at Giza and famous **Egypt Museum**.

We have come across many black dressed persons at Egypt. They were very kind to us with smiling face. At that incidence we could recall the Black Dravidian King “**E.V.R. Periyar**”, and his Humanity approach for social uplift of Economically suppressed people.

Further we experienced to purchase one liter water bottle at the price of **1.0** US dollar (Rs. 65.0 in Indian Currency). Whereas in Tamilnad, **India** Hon’ble Chief Minister **Dr. JAYALALITHAA**

Providing water at the price of only **Rs.10.0** under “**AMMA DRINKING WATER SCHEME**”. All foreign tourists get benefit of that scheme.

When we are in **ERICHO City, Israel**, for passing out urine in the Toilet we had to pay one US dollar in each occasion. On average we have to pay **3.0** dollar everyday for using the Toilet itself. However some friends used some corner point as urine point and **saved dollars**. In **Israel country** there is no freedom to pass urine on the street. Of course in India we have some little freedom to pass out urine on the **Street**.

In India, the Govt. of Tamilnad encouraging the “**Holy land**” tour and offering subsidy of **Rs.20,000** to the “**Low income group Christians**”. Thanks to the Govt. of Tamilnad. In future the subsidy may be increased to **Rs. 25,000** and reviewed periodically.

During the tour our guide treated our team as **LKG students** to stand up in two rows for counting the persons before leaving to other places.

It is suggested that anybody wants to take tasty food to suit Indian tongue when on tour let them carry some “**Idly Poddi**” for side tasting. **Be careful!...** the **Idly Powder** should be put in **Luggage Pack**, otherwise the airport authority shall treat it as “**Gun powder**” and throw it away. In India the Hon’ble Chief Minister of Tamilnad opened “**Amma Restaurant**”. Many foreigners get benefit of that and

tasting the Idly, pongal with **smiling face**. It is a suggestion to the Tamilnad government that separate **Amma Restaurant** shall be opened exclusively for foreign tourist in **selected places**.

In general many Indians feel that foreign perfumes are of high **fragrance value**. But one must know that nothing can be compensated for the fragrance of **Madurai Malli, Talampoo**.

Many occasion during tour our guide warned us to keep the **passport** under safe custody. Otherwise we would be in **Holy Jail!... Holy Land Jail!...**

Very interesting incidence that, when we are traveling in the boat on “**GALILEE SEA**”, **ISRAEL**, the boat sailor Hoisted Indian National flag and played **National Anthem**. We are very proud of them and had opportunity to salute the “**Tricolour**” flag of India on the sea of Galilee where “**JESUS CHRIST**” is said to have walked on the sea.

On the last day of tour, every one of our team is so **joyful and cheerful** thinking that we are going back to our most comfortable **Hometown**.

On return journey, (on 24th October 2013) we took our flight in **AMMA(N)** Airport, Jordan and reached “**ANNA**” International Airport, Chennai (Oct 25th 4.30am).

When we are at foreign land we had personal experience to share information by sending the data through “**HEART**” **pulses** to our family members at **Hometown, INDIA**.

“Human heart shall alternatively be called as GOD and universal roam free mobile Instrument.”

2. ABSTRACT

In the history of Human anthropological science “**DRAVIDIAN**” shall be considered as the **2nd generation human**. Ancient Egypt shall be considered as the Junction point where Dravidian population splits into three major groups due to “**political**”, “**social**” disturbance and spread over all over the **Lands of the Earth**.

The three fundamental Dravidian split groups shall be called as **Indo-Egypt, Indo-Africa, Indo-Europe**. “**Suez canal**” shall be considered as the main medium passage for transit point entry.

This research focus that **Khufu, Khafre, Menkaure** shall be considered as the three fundamental Dravidian dynasties in “**Ancient Egypt**”. The Land of Ancient **Alexandria**, Ancient **Amman** shall be considered as the places where undivided “**Proto Dravidians**” shall be considered as lived.

This research also focus that the great pyramids at **Giza** might be constructed by “**Aliens**” (1st generation Human) for Astronomical reason. “**Aliens**”, “**Ali**”, “**Thameen**” shall be considered as Ancestors to the Dravidian populations.

This research is further speculated to provide solutions to the current **confused theories** about origin of Human Ancestor, origin of Dravidian, origin of Aryan.

This research strongly stress that **Aliens, Dravidian, Aryan** shall be considered as “**Different generation**” having different genetic characteristics rather than considered as different **Human races**.

*“Dravidian shall be considered closely associated with “**RISING SUN**”

4. INTRODUCTION

In Human Anthropological Science there are so many current theories about Aliens, Dravidians, Aryans. But no theory clearly specifies about exact origin of Dravidians.

The Ancient Dravidians shall be considered as expert in **Astrology, Engineering and Architect** rather than the wrong concept that “**DRAVIDIANS ARE WARRIORS**”.

In human Anthropological Science word “**INDOS**” shall be closely associated with “**PROTO DRAVIDIANS**”. Proto Dravidian shall mean undivided Dravidians who has given **Three-in-one** Humanitarian Principles to the world. The fundamental three Dravidian principles (rather three commandments) shall be indicated as below.

- 1) Principle of “**TRUTH**”
- 2) Principle of Defined “**WAY**”
- 3) Principle of “**LIFE**”

In the history of Bible/ Quran, **MOSES** was very strict and has given “**10 Commandments**” to his disciples while leading them from “**Prehistoric Egypt**” to Prehistoric **CANAAN**.

But “**JESUS CHRIST**” was kind enough that he relaxed from 10 commandments to only “**Two commandments**”. It is speculated that the Land of “**New Jerusalem**” shall be the Land of “**J**”

A scientific research in this article focus that the whole Cosmo Universe shall be considered as a “**SPACE SHIP**”. The Space Ship shall be considered as **ANCHORED** to the base of universe with three-in-one space elements **SUN, EARTH, MOON** for its stability and symmetry. Further the Anchor of Universe shall be considered fastened to the “**J-Hook**” through strong **THREAD** consists of **three core** or strand for its “**Centre of Buoyancy**”.

The Space Ship shall be considered as a **suspending pendulum**. The base of the pendulum considered like **Anchor** which is fastened to **J-Hook** through a cable of **three core** and in “**Standstill State**”.

The human populations, life organisms spread all over the **EARTH** shall be considered as Passengers. Other space objects such as Planets, Comets, Asteroids, Matters, Molecules having **definite mass** shall be considered as **CARGO** existing in the **Upper Deck** of Human Passengers and other life organisms.

The “**J-Hook**” shall be considered as having **infinity energy level** and any weight added to the base of space ship during the course of expanding universe shall not affect the centre of buoyancy of ship and the ship shall be considered as highly stable for ever (**Highly Anchored**) and become **standstill**.
