Abstract: Medieval Philosophers believed “**ALCHEMY**” as mystic knowledge, mystic science based on Hermitic Principles. **ALCHEMISTS** considered Alchemy also as **Proto Science** which was foundation to Modern Science, modern chemistry, chemical elements, and developed structures of basic Laboratory Techniques, theories, Terminologies, experimental methods contributed to modern physical sciences. Further Medieval Alchemists believed **AETHER, AIR, WATER, EARTH, FIRE, SULPHUR, MERCURY, SALT** were Primary sources to Alchemy origin. In ancient time Egyptian Alchemists, Greek Alchemists Mesopotamian Alchemists were considered as evolved thinkers to transform basic matters into another form of matters. They believed origin of planets, plants, animals, were considered as transformed state of Alchemy say **PLANET ALCHEMY, PLANT ALCHEMY, ANIMAL ALCHEMY**. Even they believed **Heart and Soul** of mankind can be transformed into another form. Some Alchemists believed **GOLD, SILVER** are transmuted form of basic element **LEAD**. Study shows than Etymology of word **ALCHEMY** considered derived from Arabic word ‘**ALKIMIYA**’ which means “**PHILOSOPHERS STONE**”. “**Robert Boyle**” is considered as “**Father of Chemistry**” in medieval period [M.Arulmani, B.E.; V.R.Hema Latha, M.A., M.Sc., M.Phil. **THEN MADURAI?...(Scientific Research Article)**. *Academ Arena* 2015;7(4):1-5]. Medieval Philosophers believed “**ALCHEMY**” as mystic knowledge, mystic science based on Hermitic Principles. **ALCHEMISTS** considered Alchemy also as **Proto Science** which was foundation to Modern Science, modern chemistry, chemical elements, and developed structures of basic Laboratory Techniques, theories, Terminologies, experimental methods contributed to modern physical sciences.

Further Medieval Alchemists believed **AETHER, AIR, WATER, EARTH, FIRE, SULPHUR, MERCURY, SALT** were Primary sources to Alchemy origin. In ancient time Egyptian Alchemists, Greek Alchemists Mesopotamian

Alchemists were considered as evolved thinkers to transform basic matters into another form of matters. They believed origin of planets, plants, animals, were considered as transformed state of Alchemy say **PLANET ALCHEMY, PLANT ALCHEMY, ANIMAL ALCHEMY**. Even they believed **Heart and Soul** of mankind can be transformed into another form. Some Alchemists believed **GOLD, SILVER** are transmuted form of basic element **LEAD**. Study shows than Etymology of word **ALCHEMY** considered derived from Arabic word ‘**ALKIMIYA**’ which means “**PHILOSOPHERS STONE**”. “**Robert Boyle**” is considered as “**Father of Chemistry**” in medieval period.

a) This scientific research Article focus that Alchemy shall be considered as Supernatural Logic derived from pre-existing supernatural 'MEGA STAR' called in Proto Indo Europe root word "AKKI-e". Akki-e shall also mean 'WHITE LOGIC' and Alchemy shall mean transformed DARK LOGIC from white logic. The philosophy of modern chemical science, modern physical science shall be considered derived from fundamental "DARK LOGIC". The philosophy of Akki-e, Alchemy shall be described as below:

This scientific research further focus that Billions of philosophies, scientific theories, elements, materials considered derived from fundamental Dark logic which further undergone genetic changes in three nuclear age during expanding universe.

Have GOLD transmuted from LEAD?... Have SILVER transmuted from LEAD?... NO... NO... NO... It is hypothesized that billions of chemical elements and other elementary matters shall be considered as originated from single origin DARK LOGIC just like existence of billions of hairs existing on HUMAN HEAD. Various form of Lead, Gold, Silver, Diamond etc on various part of Earth shall be considered as scattered from single origin during expanding Universe.

b) This scientific research focus that 'MARS PLANET' shall be considered as the Supernatural white planet called by author as 'MOTHER EARTH' and mother of all planetary system and

galaxies. In proto Indo Europe root the mother earth shall be called as “EZHEM” or ‘THEN MADURAI’. Human Ancestors considered lived in “THEN MADURAI” in the early universe called as “HUMAN ANCESTOR” (Devas Angel Race). The Then Madurai shall be considered as “Supernatural white continent” (Super Solid Planet) considered exist under “Endothermic” environment like EGG SHAPE as represented below:

தென்மதுரை (ஈழம்) (MARS PLANET)

The supernatural white continent “THEN MADURAI” considered born during FEBRUARY-MARCH as per ancient calendar. During the course of expanding universe (say Triassic period) the “Supernatural continental mass” considered transformed to pre existing “EARTH PLANET” and transformed Land mass further undergone growth on the earth planet as various layers, glaciers in three nuclear ages and spread over to various regions on the earth planet. The existence of various soils, rocks, mountains, oceans atmosphere air shall be considered derived from “Single origin white continent”. The philosophy of growth of Ancient Land mass on the earth planet shall be narrated as below. In proto Indo Europe root the Dark age land mass shall be called as “AKKILEM” (OR) “MANDAPAM” and Ist generation land mass shall be consider as “ETHIA” (OR) “MANDALAM”. The ancient Mandalam

probably born on earth planet during APRIL 14 (Chithirai Month) and hence the ancient land mass on the earth planet shall also be called as “CHITHIRAI MANDAPAM”.

c) This research further focus that during the expanding universe the single origin continent “MANDALAM” considered diversified into major three regions.

- i) SOUTH MANDALAM
- ii) EAST MANDALAM
- iii) WEST MANDALAM

d) This scientific research further focus that **MANDAPAM (AKKILEM)** shall be considered as source of Fundamental **ALCHEMY LAND** comprising primitive chemical substance Hydrogen, Carbon, Nitrogen, Ozone (**HCNO**). Further the ancient populations lived in **MANDAPAM** shall be considered having highly **“ALKALIC BLOOD”** (say PH 8.0 – 9.0) having varied genetic structure and considered having **“Super Intelligence”** who could have constructed Megalithic structures, Great Pyramids for various Astronomical reasons for stability of Environmental ECO system like Earth quake, Climatic condition. The Philosophy of ancient human ancestor lived in **MANDAPAM** shall be considered as descended from **THEN MADURAI** on **APRIL 14** in ancient time.

(i)

KANNAN
(Father of Kachcha Theevu)
(April 14)

(ii)

KANNAKI
(Mother of Kachcha Theevu)
(April 14)

e) This research further focus that **BREEZE, WATER, FIRE** shall be considered as the **three-in-one** fundamental **ALCHEMY MATTER** and Billions of sub Alchemic matters might be derived from fundamental white logic (AKKI-e).

(WHITE LOGIC)

- i) Right dot is **“BREEZE”** (like moon)
- ii) Left dot is **“WATER”** (like Earth)
- iii) Centre dot is **“FIRE”** (like Sun)

It is focused that the philosophy of fundamental Alchemy Breeze, water, fire shall be considered derived from white logic composed of only fundamental particles **PHOTON, ELECTRON, PROTON** and considered free from atomic matter like Hydrogen, Carbon, Nitrogen, Ozone. The Human Ancestors considered lived in **“THEN MADURAI”** could have breathed **ozone** (thendral) under environment around 5,00,000 years ago.

f) Fish is **“ORGANIC”**? (or) **“INORGANIC”**?...

In modern human culture “**FISH FOOD**” is normally considered as **INORGANIC** (or) **NON-VEGETARIAN**. In **West Bengal**, Fish food is considered as **ORGANIC** (or) **VEGETARIAN**. It is hypothesized that ancient Devas Populations when lived in “**THEN MADURAI**” (EZHEM) considered eat fish food as it was **highly organic** composed of only fundamental particles Photon, Electron, Proton and free from HCNO matter. The organic fish (**white fish**) shall be considered as the source of “**THEN MADURAI FISH**”. Mandapam Fish shall be considered as “**DARK FISH**” considered as “**INORGANIC**” having high value of Alkaline property which prevents **Cancer, Diabetic**. During the course of expanding universe various **coloured fishes** might be evolved with varied level of Acidic, Alkaline property.

This research further focus that the land of **MANDAPAM** shall be considered as **ANCIENT HOLY LAND** called in Proto Indo Europe root as “**KACHCHA THEEVU**”. The biblical “**ADAM FAMILY**” considered lived in the land of Kachcha Theevu in Ancient time. Case study shows that there is evidence that “**Sons of Adam**” were buried in the land of “**RAMESWARAM**” of South India.

This research concludes that “**MANDAPAM**” shall be considered as the ‘**Divine land mass**’ descended from “**THEN MADURAI ALCHEMY**” (EZHEM) originated 3,00,000 years ago on the preexisting Earth Planet. This research further recommends to Govt. of India Tourism, Govt. of Tamil Nadu Tourism to develop **MANDAPAM** region as “**NEW EARTH**” (or) “**NEW EZHEM**” for attracting **International Tourists** for gaining revenue for development. The land of new Ezhem shall also be called by Tourist as “**JAI LAND**” (Southern Holy Land).

NEW EZHEM (Southern Holy Land)
