Abstract: This scientific research article focus than the entire universe and matters shall be considered initially ‘Created’ by supernatural person (God) though his ‘SOUL’. Creator shall also be called as “**INTANGIBLE ASSET**” further Billions of treasures of universe (also called as white matter) shall considered created and “**TAXED**” and properly accounted under head of **THREE DOMAIN**. Tax shall mean “Immortal soul” (J-RADIATION). Each Taxed matter (Created matter) shall be considered distinguished in order by minute varied genetic characteristics composed of three-in-one fundamental particles **PHOTON, ELECTRON, PROTON**, called by author as “**Mantra Particles**” (**Godly Particles**). Tax shall mean ‘Immortal Soul’ (Intangible asset). Taxed matters shall mean billions of white souls emanated called by author as ‘**Treasures of Universe**’. Treasures of Universe shall mean properly accounted **TAXED MATTERS**.

b) TAXED UNIVERSE?... (A New thesis)

This scientific research article focus than the entire universe and matters shall be considered initially ‘Created’ by supernatural person (God) though his ‘SOUL’. Creator shall also be called as “INTANGIBLE ASSET” further Billions of treasures of universe (also called as white matter) shall considered created and “TAXED” and properly accounted under head of **THREE DOMAIN**. Tax shall mean “Immortal soul” (J-RADIATION). Each Taxed matter (Created matter) shall be considered distinguished in order by minute varied genetic characteristics composed of three-in-one fundamental particles **PHOTON, ELECTRON, PROTON**, called by author as “**Mantra Particles**” (**Godly Particles**) .

Tax shall mean ‘Immortal Soul’ (Intangible asset). Taxed matters shall mean billions of white souls emanated called by author as ‘**Treasures of Universe**’. Treasures of Universe shall mean properly accounted **TAXED MATTERS**.

**INTANGIBLE ASSET
(Tax Free)
(CREATOR)**

During the course of expanding universe the universe Treasures shall be considered transformed to 'Earth planet' and become 'Earthly matters' which considered the evolved genetically in three Nuclear of use due to varied environmental conditions.

The genetically evolved matters in three nuclear age shall be called as "RETAXED MATTERS" with system of three level tax say Blue tax, Green tax, Red tax.

c) Recommendations of Research

It is focused that the state of "Real Independence" shall mean free from burden of tax. In pre Independence period our ancestors paid huge tax to previous rulers of Government. With great efforts of freedom fighters across the world every nation attained Independence and freed from tax pattern of previous rulers in different period.

In India with the leadership Gandhiji and other noble leaders and freedom fighters India got Independence and free from tax pattern of previous

rulers of India. But after Independence still every Indian is subject to varied level of tax burden?... Real independence shall mean absolute dedication of each citizen to the nation rather than payment partially as tax on statue.

In Government of Tamilnadu the present Chief Minister of Tamil Nadu **Dr. J. Jayalalithaa** taken initiatives in implementing various free schemes to save the poor people relieving from financial burden and promoting various basic subsidized schemes like **AMMA DRINKING WATER, AMMA FOOD, AMMA SALT, AMMA MEDICINE** to the poor people who enjoys the "Real freedom of Independence". It is suggested that In India these type of schemes may be promoted in other states also for promoting peace among poor which Gandhiji means the "Real Independence".

This research suggest to Government of India to remove the present complicated TAX Pattern into **THREE DOMAIN TAX** as suggested by author. As per this scheme three distinguished code for each domain shall be created for each citizen for collection of tax i.e. 10% as tax on total assets as service, 1% on total assets value of immovable and movable assets and 1% as gift tax on usage of natural dark resources gifted by nature.

(LAW OF TAXATION)

- i. Right dot as SERVICE TAX
- ii. Left dot as ASSETS TAX
- iii. Center dot as GIFT TAX

TAX does not mean levy of money on statutory rule. TAX shall mean “flow of soul” for sustainability of life as a whole on the Earth planet. Biblical study focus that JESUS CHRIST has also paid tax during his ministry as fixed by King of Rulers. It is the view of author that JESUS CHRIST shall be considered as “taxed to death” (absolute dedication) rather than paid tax to the ruler of the Government. Further it is focused that the arrival of Jesus Christ on the earth shall be considered as relieving tax burden of the poor people rather than doing wonders on the earth during his life time.

DEDICATIONS

This scientific research article titled as “TAXED UNIVERSE” is dedicated to Government of India headed by Hon’ble president of India Shri. Pranab Mukherjee in memory of TEACHER’S DAY being observed on 05th September which commemorate Dr. S. Radhakrishnan (former president of India).
