

Marsland Press

The Marsland Press is an American publisher to publish books and journals. The purpose of Marsland Press is to enhance our natural and scientific knowledge dissemination in the world under the free publication principle. Books and papers submitted could be reviews, objective descriptions, research reports, opinions/debates, news, letters, and other types of writings that are nature and science related. All manuscripts submitted will be peer reviewed and the valuable papers will be considered for the publication after the peer review. The Authors are responsible to the contents of their articles.

Introductions to Authors

1. General Information

(1) Goals: Marsland Press is dedicated to the dissemination of fundamental knowledge in all areas of nature and science. The main purpose of the Marsland Press is to enhance our knowledge spreading in the world under the free publication principle. It publishes books, full-length papers (original contributions), reviews, rapid communications, and any debates and opinions in all the fields of nature and science.

(2) What to Do: The Marsland Press provides a place for discussion of scientific news, research, theory, philosophy, profession and technology - that will drive scientific progress. Research reports and regular manuscripts that contain new and significant information of general interest are welcome.

(3) Who: All people are welcome to submit manuscripts in any fields of nature and science.

(4) Distributions: Web version of the journal is opened to the world. The books and journals are distributed to the selected libraries. For the subscription of other readers please contact with: editor@sciencepub.net, sciencepub@gmail.com.

(5) Advertisements: The price will be calculated as US\$400/page, i.e. US\$200/a half page, US\$100/a quarter page, etc. Any size of the advertisement is welcome.

(6) Copyright: When you submit this manuscript(s) to Marsland Press, you are sure and agree the following: You have participated sufficiently in this work; This article is not published elsewhere; All Authors agree and responsibility the contents of this article; You agree that the journal and author(s) have same right for the copyright of this article and either of the journal or author(s) can use it by anyway without noting the other party.

2. Manuscripts Submission

(1) Submission Methods: Electronic submission through email is encouraged and hard copies plus an IBM formatted computer diskette would also be accepted.

(2) Software: The Microsoft Word file will be preferred.

(3) Font: Normal, Times New Roman, 10 pt, single space.

(4) Indent: Type 4 spaces in the beginning of each new paragraph.

(5) Manuscript: Don't use "Footnote" or "Header and Footer".

(6) Cover Page: Put detail information of authors and a short title in the cover page.

(7) Title: Use Title Case in the title and subtitles, e.g. "Debt and Agency Costs".
