

CONTENTS

1	Assessment of Water Quality Index of Ramganga River, Westen Uttar Pradesh (India) Using a Computer Programme Mohammad Alam , J.K. Pathak	1-8
2	Ethnopharmacology of Some Important Medicinal Plants of Nanda Devi National Park (NDNP)Uttarakhand, India Charan.S. Rana, Antima Sharma, Naveen Kumar, L.R. Dangwal and J.K. Tiwari	9-14
3	<i>In vitro</i> Micropropagation of <i>Oxystelma secamone</i> (L) Karst-A Medicinal Plant Dharmendra, M.S. Sudarshana & M.H.Niranjan	15-19
4	To Assess the Quality of Ground water in Malpura Tehsil (Tonk, Rajasthan, India) with emphasis to Fluoride Concentration Girja Shanker Tailor and C. P. Singh Chandel	20-26
5	Metal Binding Proteins and Immunoglobulin Classes in the serum of Nigerian Cassava Processors Arinola.O. Ganiyu, Akinosun M. Olubayo and Oniye H. A desola	27-34
6	Contributions To The Geneses Of Continental Waters In North Western Egyptian SaharaUsing Landsat Images Elsayed Ahmed El Gammal	35-43
7	The influence of ginger as a chemopreventive agent on proliferation and apoptosis in chemically induced oral carcinogenesis Dina S. Khater	44-51
8	The effect of immobilization on reconstruction of mandibular defect using free iliac crest bone graft in dogs El-Daharawy, M. H.; Shekidef, M. H.; Ahmed, I. H.; and Zayed, M.	52-58
9	Response of Klamata Olive Young Trees to Mineral, Organic Nitrogen Fertilization and Some Other Treatments Hassan, H. S. A. ; Laila, F. Hagag; M. Abou Rawash; H. El-Wakeel and A. Abdel-Galel	59-65
10	Evaluating Physical Properties of Potato by a Combined Tillage Machine M.A.Ghazavi, B.Hosseinzadeh, A.Lotfalian	66-70
11	Trophic Relationship Of Littoral Oligochaetes, And Demersal Fish: Prey – Predator Hypothesis Shailendra Shrama	71-74
12	Floristic Inventory of Woody Plants in Fresh Water Wetland of Doon Valley, Uttarakhand, India Seema,Dr. Prafulla Soni,Dr. Mridula Negi,S.K.Kamboj, B.B.Rana	75-81
13	Trophic Relationship Of Littoral Oligochaetes, And Demersal Fish: Prey – Predator Hypothesis Shailendra Shrama	82-85

- | | | |
|----|---|---------|
| 14 | Comparison of Synthetic and Natural Adsorbent for Sorption of Ni (II) Ions from Aqueous Solution
A.G. El-Said, N.A. Badawy, and A.Abd El Pasir | 86-94 |
| 15 | Kinetic study and Equilibrium Isotherm Analysis of Reactive Dyes Adsorption onto Cotton Fiber
A. M. Gamal, S. A. Abo Farha, H. B. Sallam, G. E. A. Mahmoud and L. F. M. Ismail | 95-110 |
| 16 | Bamboo plantation diversity and its economic role in North Bihar, India
Nirmal Ram, Lal Singh, Pramod Kumar | 111-115 |
| 17 | The Effects of Financial and Economic Crisis of Some Arab Country
Ezzat Awad Zaghoul , Hamdi Abdo Sawalhy and Afaf Zaki Othman | 116-121 |
| 18 | Impact of Climatic Changes in Egypt on Degree Day's Units and Generation Number for Tomato Leaf miner Moth <i>Tuta absoluta</i>, (Meyrick) (<i>Lepidoptera gelechiidae</i>)
Abolmaaty S.M; M.K. Hassanein; A.A. Khalil and A.F Abou-Hadid | 122-129 |
| 19 | A Review on <i>Pongamia Pinnata</i> (L.) Pierre: A Great Versatile Leguminous Plant
Savita Sangwan, D.V.Rao and R.A. Sharma | 130-139 |
| 20 | Biosorption of Cesium-134 from Aqueous Solutions using Immobilized Marine Algae: Equilibrium and kinetics
H. A. Omar; A.S. Abdel-Razek; M.S. Sayed | 140-147 |
| 21 | Variation in the Quantities of three Macro-Nutrients (N:P:K) in the Leaf Prunings of three Indigenous Agroforestry tree Species
I. M.Etuk, N. U. Ndaeyo, and O. Olajide | 148-151 |
| 22 | Chromatograph interfaced to a Mass Spectrometer Analysis of <i>Cinnamomum verum</i>
Hema R., S. Kumaravel and T. Devi Martina | 152-155 |
| 23 | Pigeonpea / Sorghum Intercropping in Southern Guinea Savanna: Effects of Planting Density of Pigeonpea.
Egbe, Onyilo Moses And Bar-Anyam, Mary Ngumalen. | 156-167 |
| 24 | Aspects of the Biology of Sickie fin mullet, <i>Liza falcipinnis</i> (Valenciennes, 1836). from Badagrycreek, Lagos, Nigeria
LAWSON, Emmanuel O., AKINTOLA, Shehu O. and OLATUNDE, Oluwaseun A. | 168-182 |
| 25 | Influence Of Different Cyanobacterial Application Methods On Growth And Seed Production Of Common Bean Under Various Levels Of Mineral Nitrogen Fertilization
Amal Z. Hegazi., Soha S. M. Mostafa and Hamdino M. I. Ahmed | 183-194 |
| 26 | An Economic Study on the Red Meat in Arab Republic of Egypt
Yehia Mohamed Metaly, Karima Awad Mohamed and Haitham B. A. Hassan | 195-201 |
| 27 | Study the Possible Protective and Therapeutic Influence of Coriander | 202-213 |

- (Coriandrum sativum L.) Against Neurodegenerative Disorders and Alzheimer's disease Induced by Aluminum Chloride in Cerebral Cortex of Male Albino Rats**
Enas, A. Jilal K
- 28 Biosorption of Cesium-134 from Aqueous Solutions using Immobilized Marine Algae: Equilibrium and kinetics** 214-221
H. A. Omar; A.S. Abdel-Razek; M.S. Sayed
- 29 Financial and Economic Analysis for Agricultural Projects (West Delta Irrigation Project Case)** 222-233
Mahmoud A. Abd El Aziz; Karima Awad Mohamed; Alaa El Deien. M. Safaan and Haitham .B. Aly
- 30 Effect of Zizyphus Leaves Extract on Mice Suffering from Ehrlich Ascites Carcinoma** 234-244
Amal I. Hassan and Eman I. Abdel-Gawad
- 31 The Possible Use of Diluted Vinasse as A Partial Replacement with Mineral Fertilizers Source on Wheat Yield and Nutritional Status on Sandy Soil** 245-251
Mona, A. Osman
- 32 Molecular and Biochemical Marker of Some Vicia faba L. Cultivars in Response to Broomrape Infestation** 252-260
Abo El-kheir, Zakia A., M.S. Abdel-Hady, El-Naggar, Hoda M.H. and Abd El-Hamed, Asmaa R.
- 33 Response of Okra to Organic and Inorganic Fertilization** 261-266
M.O. Akande, F.I. Oluwatoyinbo, E.A. Makinde, A.S. Adepoju and I.S. Adepoju
- 34 A Phase II Single Institution Study of Docetaxel in Patients with Recurrent and/or Metastatic Non-Nasopharyngeal Squamous Cell Carcinoma of the Head and Neck Refractory to a Platinum-Based Chemotherapy** 267-274
Abdel Halim Abo Hamar; Hanan Shawky and Mohamed Alam El-Deen
- 35 Agricultural land Monitoring in Egypt using NOAA-AVHRR and SPOT Vegetation Data** 275-278
Shalaby, A. and R. R. Ali
- 36 Potentials of the Economic Expansion in the Production and Export of Egyptian Garlic** 279-287
Khairy, H. Elshawi, Laila M. ElSharif, Haitham B. Hassan and Alaa El-din M. Saafan
