1. Introduction

The rise of popular Vthvl new Arab world in 1390 with the uprising in Tunisia began and the other countries of the Arab world, including Egypt, Bahrain Vymn spread changes significantly surrounding Iran are on the national security of various countries in including from Iran is central. But Syria's crisis and regional countries, including But Syria's crisis and regional countries, including Saudi Arabia, Qatar and Syria to incite crisis became deeply rooted in the way they chose to solve the problem in terms of diplomacy. Syrian Kurds Kurdish National Council to coordinate the campaign Rahhkarhay Qamyshly form and a fateful decision were prevented from entering the armed terrorist Kurdistan region. Another issue is that the armed anti-government groups in Syria Vkrdhay threw away the unacceptable attitude of the Turkish government, the Syrian Arabic Republic of Syria a democratic government, the people, the socialist sovereign head irrefragible the. The Syrian Arab Republic is a member state of the United Republic of Arabic and the country's constitution and rules-based material that has all the rights specified in this nation divided And private property respected in the nation, and its role in the economy, including private Amva and in the context of cooperative and other social organizations intellectual movements Intellectual movements of fronts Nasr Ibn Taymiyyah and later Muhammad bin Abdul Wahhab is a function of radical Aydlvzhy Abdul space treaties after World

War I and during the Sykes - Picot emerged not horrible Safavid and Ottoman Islamic civilization in the history of Islam in the Middle East during the Second World War in the intervention affected the powers of the territory was divided between the two great powers of France and England Hand, a present-day Lebanon under the French protectorate, Iraq, Jordan, Palestine was under the British Protectorate in this case when the leading Salafi ideology, "Abdul Mohammed B." This ideology emerged Center Saudi Arabia And Saudi Arabia in 1918 as a supporter of the income of the First World War and Second World War in 1039 the great powers would have to be some internal issues of the Middle East away And Saudi Arabia in 1918 as a supporter of the income of the First World War and Second World War in 1039 the great powers would have to be some internal issues of the Middle East away Cold War competition with the Soviet invasion of Afghanistan in the spotlight once again admire Salafism is thought to Middle America with the support of the Soviet Union and the Communist camp, al-Salafi movement emerged as a With the support of Saudi Arabia Abdullah bin Laden Alzm and later became the targets of Communist America against America that align with the goals of the Salafi Saudi Arabia and America's leadership is focused on The first section 11 and a change in the alignment of Saudi Arabia and America September 11, 2001 incident align new development in Saudi Arabia and America were 11 suspected September 11th operations in the Greater Middle East plan, such

as a plan to minimize pain W. Bush emerged This project focuses on the culture of liberalism and democracy, and no doubt that of Saudi Arabia was a tribal elder opposed to the original plan But another incident in Saudi align and accelerate America and its electoral victory in January 2005 A'tlaf Iraqi Shiite leader Abu Musab al-Zarqawi was the al-Qaeda in Iraq with the Shiites in the most opposition was Chapter Two: al-Qaida front Alnsrh It was said the Salafis were the changes in America on September 11 with a challenge to the leadership of al-Qaeda leader Ayman al-Zawahri also called on Syria to Vdrsth organizational Salafi Abu Bakr al-Baghdadi, head of the Salafist forces in Iraq, Syria and sent a link Between the three factors, namely an international organization representing the dependency is declared allegiance to al-Qaida front Alnsrh Mohammed Ayman Zawahiri Aljvlany Srgrdh front Alnsrh with uncertainties about the continuity of the 24 Persian date Farvardin 1392 Front and Al Nasr disappeared. Muhammad Aljvlany said Sheikh Ayman al-Zawahiri, children and persons with Front Alnsrh allegiance to jihad and will obey him (ISNA 1/5/1392) Allegiance declaring war and military action against Syria intensifies its activities Alnsrh Front of operations Front Alnsrh Alnsrh indicated that Al Qaeda is a function of the military conflict in Alqysrv loss Salafi Abu Bakr al-Baghdadi al-Zawahiri Habardygr integrated front safety Alnsrh fell accused of acting arbitrarily, that the Islamic Emirate of Iraq

Third speech: structure and organization within the mantle of Nasr Structure and function of the al Qaeda terrorist network Al-Nasr is the front side of the head Alnsrh There are two types of leadership, leadership, and other Siamese religious leader called Sheikh Salafi Sheikh duty conduct religious practices of schools and religious education is for them to learn Abu Musab al-Qahtani of Saudi Arabia's religious mentor of political leadership is responsible for security and military training and political Alnsrh Front Command is leading the

Part Four: Oil & Energy Energy consumption growth in Asia in the past decade, the issue of energy supply and security Astmraryn prospects in the continent has become a complex matter There is an advantage in the AFC West as the region's energy supply and its East Region (plus India) as an energy consumer in terms of international cooperation based on energy supply Find the area of energy can be grounds for a constructive dialogue to create a Western-centric interdependence - East provides a way to establish a pattern that will eventually lead Asia energy

Section I: Power-driven integration in Asia Asia as the world's most dynamic economic region in the

past decade, the highest sensitivity and vulnerability are in the Persian Gulf to discuss energy security as one of the world's most important center of the main center of energy transmission - the crisis of post-war international Szast was cooled The occurrence of a devastating war in the first decade after the Cold War the region testify to this claim This coincidence indicates that it is a contradiction muddy production and supply processes related to regional security, energy security is a major concern for mainstream consumers who are mainly primary actors in international not establishment This has led to an adverse security environment is insecure countries in the region Vazsvy Dyrgrms forced consumers to its national security, energy security, and consequently do Napzyrpyvnd regional forecasts Appropriate solutions to overcome difficult behavioral pattern of regional security consultations on the participation of all concerned actors in the region is based security Ayjadsbat Take advantage of the two continents to achieve cooperative security framework in an attempt to make one feel the most predictable areas of international politics through Nsrhm Vbdyn the benefit of producers and consumers of energy Vchahay oil-rich countries of the West and Syria, despite Zkhayvmnaf greed and threw Nrvrysty groups to reinforce the serious crisis in Syria, there are homeless people

Speech V: National Security Syria possesses huge reserves of oil and gas geopolitical Vzhyvakvnmvyk and having long experience in the field of energy and a convenient location, with the possibility of linking its energy resources of Central Asia and South East Asia enjoyed by pipeline to consumers The principles in the creation of a security community was working to achieve security in such conditions, technology Dvmvkrasy, economy, environment, development, social reality that is accepted by actors external liabilities Due to environmental changes and discourse that have emerged today as compared to civil liability obligations has gained more importance and sensitivity Among the economic issues of national security and the history of the relationship between economies is defective so that the economy could be a factor that is always present in the valley have different levels of individual, regional and international national security policy to learn Economic considerations due to the unifying aspect can be substantial divergence between governments and comes Fa'q security impact positively on regional countries have a broad effort by the Syrian Amraqtsad to bring Vqlany First, the capacity of the national economy because it directly affects Brqdr that its national security is the most important defining factor

4. Discussions

Hnjarhabh stated values and align itself an important factor in the Darndvdr a theoretical framework of Constructivism in International Relations constitutes a pillar of India Using these ideas Nmvdta effort Hebrew Arabic driven west by highlighting gaps Shia - Sunni Islam Israel is prevented from forming a union The next step is the result of internal conflicts in the Middle East should likewise be noted that other factors affect the strength of the intellectual movements within the context of realism can be assessed for Great power in Brabrhmh traditions have the power to pay the balance of power in Syria know the challenges that may be considered as a new Cold War powers in the Middle East cited Front Alnsrh be said about the prospects of the international movement and the movement is the product of foreign intervention in Syria, where the heart would be Vhrjnbshy Yasazmany lacks a popular base in the long run will not choice but to vanishing defeats.
