Life Science Journal

Acta Zhengzhou University Oversea Version
(Life Sci J)

Life Science Journal, the Acta Zhengzhou University Oversea Version, is an international journal with the purpose to enhance our natural and scientific knowledge dissemination in the world under the free publication principle. The journal is calling for papers from all who are associated with Zhengzhou University-home and abroad. Any valuable papers or reports that are related to life science - in their broadest sense - are welcome. Other academic articles that are less relevant but are of high quality will also be considered and published. Papers submitted could be reviews, objective descriptions, research reports, opinions/debates, news, letters, and other types of writings. Let's work together to disseminate our research results and our opinions.

Editor-in-Chief: Shen, Changyu, Ph.D., Professor, Chinese Academy of Sciences

Introductions to Authors

1. General Information

- (1) Goals:** As an international journal published both in print and on internet, **Life Science Journal** is dedicated to the dissemination of fundamental knowledge in all areas of nature and science. The main purpose of **Life Science Journal** is to enhance our knowledge spreading in the world under the free publication principle. It publishes full-length papers (original contributions), reviews, rapid communications, and any debates and opinions in all the fields of nature and science.
- (2) What to Do:** The **Life Science Journal** provides a place for discussion of scientific news, research, theory, philosophy, profession and technology - that will drive scientific progress. Research reports and regular manuscripts that contain new and significant information of general interest are welcome.
- (3) Who:** All people are welcome to submit manuscripts in life science fields. Papers of other fields are also considered.
- (4) Copyright and Responsibility of Authors to their Articles:** When the manuscript(s) is submitted to the journal, the authors agree the following: All the authors have participated sufficiently in this work; The article is not published elsewhere; Authors are responsibility on the contents of the article; The journal and author(s) have same right for the copyright of the article and either of the journal or author(s) can use it by anyway without noting the other party.
- (5) Publication Costs:** US\$500 per article to defray costs of the publication will be paid by the authors when it is received. Extra expense for color reproduction of figures will be paid by authors (estimate of cost will be provided by the publisher for the author's approval).
- (6) Advertisements:** The price will be calculated as US\$400/page, i.e. US\$200/a half page, US\$100/a quarter page, etc. Any size of the advertisement is welcome.

2. Manuscript Preparation

Each manuscript is suggested to include the following components but authors can do their own ways:

- (1) Title:** including the complete article title; each author's full name; institution(s) with which each author is affiliated,

with city, state/province, zip code, and country; and the name, complete mailing address, telephone number, facsimile number (if available), and at least one email address for author(s). **(2) Abstract:** including Background, Materials and Methods, Results, and Discussions. **(3) Key Words.** **(4) Introduction.** **(5) Materials and Methods.** **(6) Results.** **(7) Discussions.** **(8) Acknowledgments.** **(9) References.**

3. Manuscripts Submission

- (1) Submission Methods:** Submission through email (editor@sciencepub.net) is encouraged.
- (2) Software:** The Microsoft Word file will be preferred.
- (3) Font:** Normal, Times New Roman, 10 pt, single space.
- (4) Indent:** Type 2 space in the beginning of each new paragraph.
- (5) Manuscript:** Don't use "Footnote" or "Header and Footer".
- (6) Email:** At least one author's email must be put under title.
- (7) Title:** Use Title Case in the title and subtitles, e.g. "**Debt and Agency Costs**".
- (8) Figures and Tables:** Use full word of figure and table, e.g. "**Figure 1. Annual Income of Different Groups**", **Table 1. Annual Increase of Investment**".
- (9) References:** Cite references by "last name, year", e.g. "(Smith, 2003)". References should include all the authors' last names and initials, title, journal, year, volume, issue, and pages etc.

Reference Examples:

- Journal Article:** Hacker J, Hentschel U, Dobrindt U. Prokaryotic chromosomes and disease. *Science* 2003;301(34):790-3. **Book:** Berkowitz BA, Katzung BG. Basic and clinical evaluation of new drugs. In: Katzung BG, ed. Basic and clinical pharmacology. Appleton & Lance Publisher. Norwalk, Connecticut, USA. 1995:60-9.
