
CONTENTS

1	Inhibition of Cell Adhesion and Protein Adsorption onto Biomaterial Titanium by Polyethylene glycol	1-4
	N.C. Nwokem, C.O. Nwokem, J.A. Lori, E.J. Ekanem.	
2	Colum Chromatographic Separation of Fe (III) at Trace Levels in Various Synthetic Binary Mixtures by Cation – Exchange Resin Impregnated with Neutral Red Dye	5-13
	Asrar G. El-Said	
3	Incidence And Intensity Of Powdery Mildew Fungi On The Plants Of Papilionaceae	14-20
	Riyaz Ahmad Mir, Abdul Hamid Wani, Mohd. Yaqub Bhat, Taskeen-Un- Nisa and Shauket Ahmad Pala	
4	Optimal Facility Location on Spherical Surfaces: Algorithm and Application	21-28
	Jovin J. Mwemezi, Youfang Huang	
5	Incidence of Pancreatitis in Failed Versus Successful ERCP And the Possible Benefit of Pancreatic Duct Stenting in High Risk Cases. Prospective Randomized Study	29-32
	Wael Safwat, Amgad Anas, Emad Abdel Raouf, Ayman Abdel Aziz and Mohamed Abu EL-Ezz	
6	Frequency of a <i>Toxoplasma</i> Circulating Antigen and Hepatitis C Virus Antigen in Patients with Hepatocellular Carcinoma	33-39
	Attallah A.M., El-Waseef A.M. and Waly Basma M.	
7	Advanced computing in industrial Automation	40-44
	Saurabh Saxena and Rajeev Kumar	
8	Seroprevalence of Glypican-3 (GPC3) in patients with pancreatic, gastric and esophageal cancers	45-50
	Ahmed S. Sh., Ola A., Ahmed E. and Mohammed A.	
9	Assessing Different methods in distance education	51-55
	Mojtaba Sadighi and Mehran Bozorgmanesh	
10	Distance learning in agriculture education	56-60
	Mehran Bozorgmanesh and Mojtaba Sadighi	
11	Application of ICT in distance education	61-64
	Alireza Talkhabi	
12	The role of credit in empowerment of rural women	65-68
	Maryam Abarashi	
13	The Decision tree Mode for Prediction the Response to the Treatment in Patients with Chronic Hepatitis C	69-79
	M. Hassan; M. I. Abdalla; S. R. Ahmed; W. Akil; G. Esmat; S.Khamis; M. ElHefnawi

|----|---|---------|
| 14 | Inhibitory effect of essential oils on the growth of <i>Colletotrichum gloeosporioides</i>(Penz.) Penz. & Sacc. the causal organism of leaf spot disease of <i>Murraya koenigii</i> L
MIDHILA PADMAN and JANARDHANA G R | 80-84 |
| 15 | Nitric Oxide Levels in Sera of HCV-Infected Subjects
El-Waseef, A.M.; Kishk, Mona, M.; Attallah A.M. | 85-91 |
| 16 | Alkyl Mercury chloride compounds-induced genotoxicity in human blood cultures and corrective role of Ascorbic acid (Vitamin C)
Rania, M. A. Abdel Kader , Elkholy, Y.M. , Helmy, N.A., Eltoukhy, S.E. , Kayed, H.F. | 92-104 |
| 17 | Relationship between adjustment and Academic achievement among Adolescence Students
Armin Mahmoudi | 105-108 |
| 18 | GROWTH PERFORMANCE OF BROILER CHICKS FED VARYING LEVELS OF ENERGY AND PROTEIN DIETS UNDER SINGLE VERSUS DOUBLE PHASE FEEDING
Aremu.A, T.Z. Adama, E.L. Shiawoya and B.A. Ayanwale | 109-114 |
| 19 | COMPARATIVE STUDY OF RAINFALL FORECASTING MODELS
Mohita Anand Sharma and Jai Bhagwan Singh | 115-120 |
| 20 | Effects of Casein Hydrolysates and Glutamine on Callus and Somatic Embryogenesis of Date Palm (<i>Phoenix dactylifera</i> L.).
Sara Ageel and Khaled Elmeer | 121-125 |
