

New York Science Journal

ISSN: 1554-0200

The international academic journal, “New York Science Journal” (ISSN: 1554-0200), is registered in the New York of the United States, and invites you to publish your papers.

Any valuable papers that describe natural phenomena and existence or any reports that convey scientific research and pursuit are welcome, including both natural and social sciences. Papers submitted could be reviews, objective descriptions, research reports, opinions/debates, news, letters, and other types of writings that are nature and science related. There is no charge for the manuscript submissions.

The Journal is published in the both printed version and online version. The abstracts of all the articles in this journal are free accessed publicly online, and the full text will be charged to the readers for US\$10/article. The authors will get 30% of the article selling and the other 70% of the article selling will be used to cover the publication cost.

If the authors (or others) need hard copy of the journal, it will be charged for US\$60/issue to cover the printing and mailing fee.

Here is a new avenue to publish your outstanding reports and ideas. Please also help spread this to your colleagues and friends and invite them to contribute papers to the journal. Let's work together to disseminate our research results and our opinions.

Papers in all fields are welcome, including articles of natural science and social science.

Please send your manuscript to editor@sciencepub.net; sciencepub@gmail.com
