**1. Abstract:**

This scientific research article focus that in the early universe the whole cosmo universe shall be considered as created systematically by “**GOD**” rather than evolved from cloud of “**Star dust**” supported by “**Big-Bang**” theory.

The Cosmo Universe shall also be called as “**e-UNIVERSE**”. “e” shall mean **Heart**” of GOD which is the source of “**Creative force**” called “**J-RADIATION**”. In prehistoric Tamil “e” shall be called as “**EZHEM**” denoted acronymically in later English Language with single alphabet as “**E**”.

(i)

(E)

(ii)

**(EZHEM)**

It is emphasized that in Prehistoric Tamil the “**e-UNiverse**” shall be called as **K-NADU**. **K-NADU** shall mean **KANAAN NADU**. Further **K-NADU** shall be considered as having infinity level of inbuilt **Dark energy, Dark matter Source** called as “**KARUNAI**” required for “**Initial Budget**” of **GOD** for meeting out **Creation and Maintenance** expenditure.

In the expanding universe the **first single land** formed on the Universe shall be called as “**E-LANKA**” which was considered formed even before the “**SUN**” emits its first rays. In Prehistoric Tamil the **E-LANKA** shall be **J-land, Godly land** and Mother of all Nations.

**(E-LANKA)**

*“K-NADU shall be considered as “e-UNIVERSE”.  
E-LANKA shall be considered as integral part of K-NADU”.*

**2. Key Words:**

- a) Philosophy of word "E".
- b) Philosophy of word AKKI-E
- c) Philosophy of word AKKINI
- d) Philosophy of word "E-SON"
- e) Philosophy of word E-NADU
- f) Philosophy of word "E-INDO"
- g) Philosophy of word THAM-E
- h) Philosophy of word E-EYE

**3. Introduction:**

In this scientific research it is focused that the existence of Five Major continents **ASIA**, **AUSTRALIA**, **AFRICA**, **AEMERICA**, **EUROPE** and thousands of global nations within each continent shall be considered **evolved** during three Nuclear age, geological periods from prehistoric single continent "**E-LANKA**" (EZHEM). E-LANKA shall be considered as the first **WHITE CONTINENT**" created by **GOD** in the early universe. In Cosmological term the region of **White Continent** shall be called as "**MARS PLANET**". The prehistoric human populations lived in white continent shall be called in Anthropological term as **ALIEN**, **ANGEL** with different genetic structure lived in different environment and capable of "**FLYING**". In prehistoric Tamil the **White Continent** shall also be called as "**EZHEM**", "**KANDAM**", **J-NADU**. The tentative shape of Prehistoric Ezhem shall be understood from the cited figure.

**(WHITE CONTINENT)**

***"J-NADU shall be considered as the first land of Human Origin. Thousands of Nations on the Earth shall be considered as 3<sup>rd</sup> generation lands evolved from J-NADU".***

***- Author***

The philosophy of **Ezhem** shall be defined within the following scope.

- 1) Ezhem shall mean **Heart of Creator**.
- 2) Ezhem shall mean **Source of J-Radiation**.
- 3) Ezhem shall mean **White Continent**.
- 4) Ezhem shall mean **Mother of all Nations**.
- 5) Ezhem shall mean "**e**" of Universe.

- 6) Ezhem shall alternatively mean **MARS**.

#### 4. **Previous Publication:**

The philosophy of origin of first life and human, the philosophy of model Cosmo Universe, the philosophy of fundamental neutrino particles have already been published in various international journals mentioned below. Hence this article shall be considered as **extended version** of the previous articles already published by the same author.

**5. Hypothesis:**

**a) Philosophy of Creation?...**

As per current existing theory “**creation**” being one of the hypothesis of “**Human Origin**”. But current theory do not have any focus about Asset sources, Technological requirement for initial creation of all matters including planetary system. This hypothesize that creator (GOD) shall be considered as the “**Super Scientist**” and “**Micro Economist**” for designing the initial “**strategy**” for systematic array of available **Dark matter, Dark energy** to transform as created **matters**.

(i)

- 1. Dark Genome
- 2. Dark Energy
- 3. Dark Matter

**(DARK ASSETS)**

(ii)

**(LAW OF UNIVERSE)**

- a) Right dot - Functional Logic
- b) Left dot - Structural Logic
- c) Center dot - Sequential Logic

The creative force **J-Radiation** shall be considered as containing billions of rays representing **genetic code** of each created matter. Each ray shall be considered composed of fundamental “**AKKIE-E**” particles **Photon, Electron, Proton** co-exist always and can not be sub divided and symmetrically placed.

The philosophy of Initial creation shall be considered as based on **AKKI-E** principles under **three domain**. The total initial created matters under three domain shall be indicated as below.

**(THREE DOMAIN)**

**b) Philosophy of Supernature, Nature?...**

As per current existing theory the scope of supernature, Nature and its clear distinction was not well defined. It is hypothesized that in scientific term the as stipulated below. Further both the **Supernature, Nature** shall be considered as created by God. The Etymology of English word nature, nation, natal might be derived from prehistoric Tamil phonetic NADU, NATTAM.

(i)

**(GOD)**

(ii)

**(SUPER NATURE)**

(ii)

### (NATURE)

In geological, Anthropological term the supernature, nature shall be distinguished as below.

- i) Supernature - e-UNIVERSE, ANGEL
- ii) Nature - EZHEM, HUMAN

#### c) Etymology of word “E”, “EZHEM”?...

Case study shows that the philosophy and origin of English alphabet “E” is not clearly known. Further “E” is used as **slang word** in internet, computer language. There are about **6092** slang words in current usage. The sample are cited below.

- i) “E” stands for “Energy” (ev)
- ii) “E” (e) stands for Mathematical Constant
- iii) “E” stands for 3<sup>rd</sup> Alphabet in Tamil.
- iv) “E” stands for **element**.

It is hypothesized that the philosophy of “E” shall be considered as “**Acronym**” for the Prehistoric Tamil phonetic “EZHEM”.

### (EZHEM)

- i) “EZHEM” - E + AKKAM
- ii) “É” shall mean **Nature**
- iii) “AKKAM” shall mean **Heart**

#### d) Philosophy of e-Universe?...

It is hypothesized that **e-universe** shall be considered as **TRIPOD** like existence of whole **Cosmo Universe** with distinguished regions of **three different Radiations** as stipulated below.

**(e - UNIVERSE)**

The “**white hole**” shall be considered as the **region** and **origin** point of “**J-Radiation**”. **Dark hole** shall be considered as the **end** and **ultimate** point of **Cosmo Universe**.

Further the **White hole** point shall be considered as the **Breathing Point** of Universe and the **Dark hole** point shall be considered as the **exhaust region** of Universe. The intermediate barrier between regions shall be considered as **equilibrium barrier radiation**.

#### **e) Philosophy of plasma origin?...**

In the Region III of universe White continent region (E-LANKA) shall be considered as **White Matter** Region of Initial Creation. In te expanding Universe during **SPACE and TIME “Diversity Transformation”** shall be considered originated from **White matter region** to **Plasma Region**. The plasma region shall be considered as the highly devolved and origin point of all **evolved matters** of Universe as stipulated below.

### (Three Stages of Evolution of Matter)

Some examples of evolved matter from plasma origin shall be narrated as below.

1. Plasma Radiation
2. Plasma Hydrogen, CNO
3. Plasma Planet, Star
4. Plasma Land, Nation
5. Plasma Human
6. Plasma Apes
7. Plasma Plants

#### f) Philosophy of e-eye?

It is hypothesized that the **White whole** point of Region III Universe shall be considered as the “**e-EYE**” of universe. It is hypothesized that “**e-EYE**” point of Universe shall be considered as the highly defined, functional and logic point of Universe which controls the “**RADIATION LEVEL**” of Matter Universe in the expanding universe for keeping **Equilibrium** of Universe matters.

It is hypothesized that in the expanding universe three types of **Radiation level** have been considered evolved in three Nuclear age, geological periods as stipulated below.

In three Age the genetic variation in structure of “AKKI-E” particles shall be indicated as below.

(i)

(ii)

(iii)

**g) Philosophy of three Land Diversity?...**

The philosophy of three genetically varied **Land Diversity** in three geological periods shall be indicated as below.

**(KANDAM)**

It is focused that “**INDO**” shall be considered as the **Plasma** origin of Lands before evolution of three major genetic diversity of “**geological lands**” due to impact of various “**Radiation level**” of Universe.

**(E-LANKA)**

#### **h) Philosophy of Particle, Wave property?...**

It is hypothesized that all the **White Matter Origin** shall be considered as having only **Particle** property and capable of steady **Flying** without swinging. It is speculated that the different wave property of matters having swinging of wings shall be considered derived in three geological periods.

#### **i) Philosophy of Human eye blink?...**

It is hypothesized that the white matter origin human (Live in MARS) might not have the characteristic of “**eye blinking**” due to highly balanced level of Radiation environment. The eye blinking shall be considered as the “**act of balancing radiation level**” for keeping system.

The eye blinking characteristics of human might have occurred in 2<sup>nd</sup>, 3<sup>rd</sup> generation of “**Human Races**” due to genetic variation in “Radiation level”.

**j) Philosophy of Human dark eye iris?...**

It is hypothesized that the white matter origin human (Lived in MARS) might have had only “**DARK IRIS**” due to highly balanced environment. Further the **DARK IRIS** human shall not have ability to distinguish other colours such as **BLUE, GREEN, RED**. In other words the White matter human shall be considered as “**COLOUR BLINDNESS**” Populations and could not distinguish whether **BLUE** or **GREEN** or **RED**.

**(1st Generation Dark Blue Iris)**

The different colour iris such as **BLUE, GREEN, RED** and its combination might be derived subsequently in **2<sup>nd</sup>, 3<sup>rd</sup> Generation human races** due variation in Radiation level environment.

**6. Hypothetical Narration**

**a) Philosophy of TRIASSIC?...**

Case study shows that the **Triassic** refers to denoting the earliest period of the **Mesozoic era**, between Permian and Jurassic Periods.

It is focused that the philosophy of Triassic might be derived from the philosophy of **White Land, Indo** origin as stipulated below.

**b) Philosophy of e-land?...**

Case study shows that e-land group refers to South Korean Conglomerate headquartered in Chanjeon-dong Mapo-gu Seoul. It is speculated that the philosophy of **e-land** might be derived from the philosophy of “**E-LANKA**”, “**EZHEM**”. The **island** shall be considered as the **Plasma land**.

**c) Philosophy of “EYE”?...**

It is hypothesized that the philosophy of “**eye**” might be derived from the philosophy of “**White Hole**” origin of matter universe. The white hole shall be considered as the “**COSMIC EYE**” and the functional part of Universe for regulations of “**Radiation Level**” under various environment by displacement of rotating the ray to keep equilibrium in three different “**Sub Regions**” of Universe. It is focused that by rotation of Ray the “**angle of incidence**” gets varied and thereby the radiation level can be systematically varied and balanced.

Case study shows that “**human eye**” is made up of “**THREE COATS**” enclosing three transparent structures. This out most layer known as **Fibrous turnic** composed of cornea, sclera. The middle layer is vascular turnic or uvea composed of choroid, cilliary body and **iris**. The inner most layer is **retina** which get circulation from the vessels of choroids as well as retinal vessels. The pupil of human eye is **Aperature**. The iris is the diaphragm that serves as the aperature stop.

Above: Schematic diagram of the Structure of the Human Eye.

It is focused that the eyeblinking in human shall be considered as the activity related to functional part of human providing “**Varied budget of radiation**” to the brain for sending and receiving **data signals**.

**“GOD SLEEPS?... NO...NO...NO... God never sleeps. God wants his children to sleep peacefully. GOD never blinks... Only 2<sup>nd</sup> 3<sup>rd</sup> generation human blinks”.**

**- Author.**

**d) Philsophy of Mathematical constants ( $\pi$ ,  $e$ ,  $i$ ) Variation?...**

It is focused that the Mathematical constants of Universe behaviour considered variant during space and time and this may be due to varied level of **Radiation** in the Universe in three Nuclear age. Currently so many theories exist for transental variation of  $\pi$ ,  $e$ ,  $i$  constants. It is hypothesized that the fundamental three constants shall be considered having interdependent property and characteristics which shall be hypothetically narrated.

**(SUN, EARTH, MOON)**

- i) Right dot (Proton) – Functional (Moon)
- ii) Left dot (Electron) - Structural (Earth)
- iii) Centre dot (Photon) – Sequence (Sun)

**7. CONCLUSION:**

J-Radiation shall be considered as the “**REVOLVING SPIRIT**” of “**EZHEM**” and Mother of **ALL NATIONS**.
